Vision

Jescam Coin is a revolutionary meme coin aimed at raising awareness about financial scams and providing a platform for the community to learn and engage with cryptocurrency in a safe and transparent manner. Jescam Coin draws inspiration from the story of a notorious scammer, highlighting the importance of vigilance and education in the crypto space.

Mission

Jescam Coin's mission is to:

- Expose financial scams and educate the community about the risks and red flags.
- Provide a fair and transparent launch process to ensure equal opportunities for all participants.
- Develop and launch NFTs that add value and utility to the Jescam Coin ecosystem.
- Build a strong, engaged community that supports the project's goals and initiatives.

The Story Behind Jescam Coin

Jescam Coin is inspired by the true story of a notorious scammer who defrauded numerous investors through false promises and deceptive practices. Despite numerous lies and manipulations, the scammer remains free, enjoying the ill-gotten gains. This story serves as a cautionary tale and a reminder of the importance of vigilance and education in the cryptocurrency space.

Jescam Coin aims to expose such scams and educate the community to prevent others from falling victim to similar schemes. By sharing this story, we hope to raise awareness and promote a culture of transparency and accountability in the crypto world.

Conclusion

Jescam Coin is more than just a meme coin; it is a movement to expose financial scams, educate the community, and create a transparent and trustworthy crypto ecosystem. Join us in our mission to bring justice and integrity to the cryptocurrency world.

- Future Listings and Partnerships: 5% of the total supply (50,000,000 JESC) will be used to facilitate listings on additional exchanges and form strategic partnerships that benefit the Jescam Coin ecosystem.

Fair Launch Details

Jescam Coin will be launched through a fair launch on PinkSale, ensuring equal opportunity for all participants. The fair launch will prevent early whales and ensure a balanced distribution of tokens.

Anti-Whale Mechanism

To protect the community and maintain a healthy market environment, Jescam Coin will implement anti-whale mechanisms. These measures include:

- Transaction Limits: Capping the maximum amount of tokens that can be bought or sold in a single transaction.
- Holding Limits: Setting a maximum limit on the number of tokens that can be held by a single address.

Additional Features

- Ownership Renounced: Ownership of Jescam Coin will be renounced, ensuring the community's full control and preventing any central authority from making unilateral changes to the contract.
- 0% Taxes on Buy and Sell: There will be no taxes on buying and selling Jescam Coin, making transactions seamless and cost-effective for users.
